Be one of the first 8 Business Partners to advertise on our new NMM Website!

Here is a marvelous opportunity to market your products and/or services to the members of Northland Medical Managers on our website, www.northlandmm.com. With our new website, we are offering home page advertising. This creates another outstanding opportunity to put your business name in front of the membership and those who visit our site.

Each ad must be placed for a minimum of one year, maximum of two years. Advertising space will be reserved on a first come, first served basis. Extensions may be available dependent upon demand for advertising space. If there is a waiting list, only one location will be available at a time.

With a simple click of the mouse, an active link will direct viewers to your website.

The attached form provides you with all the information needed to place an advertisement on the NMM website. If you have questions, please contact me at the NMM Central Office at (816) 524-6579 or email info@northlandmm.com.

Sincerely,
